Ex parte CHARLES H. REYNOLDS

Application 09/309,321

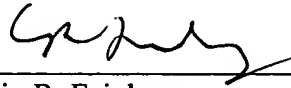

VACATING OF ORDER

The Order Returning Undocketed Appeal to Examiner of December 8, 2005, has been vacated. Upon closer review, it has been determined that the citation of the reference to Newton would constitute extrinsic evidence since it clarifies the terminology used in the art and thus would not warrant the making of a new ground of rejection.

Accordingly, this application has been retrieved and will be given for review at the Board of Patent Appeals and Interferences.
